

It's more than care.
IT'S ABOUT CARING.

Fox Subacute has offered attentive, nurturing care to ventilator patients since 1985. Our mission is to enhance quality of life by providing excellence in care to meet the physical, emotional, and spiritual needs of the individuals we serve.

SERVICES

Fox Subacute provides specialized care and treatment for medically complex pulmonary patients. Our highly motivated, compassionate, and professional staff provide a level of care that focuses on the total person. At Fox, we have created an environment conducive to recovery, while creating an atmosphere of contentment and peace of mind — for patients and their loved ones.

FACILITIES

We recognize that the best road to recovery for ventilator and trach patients is an environment with special care in an alternative setting.

We offer...

- Semi-private and private rooms
- Facility wide in-wall Oxygen with suctioning
- Educated and caring staff made up of nurses, attending physicians, respiratory therapists, consulting physicians, case management, PT, OT, SLP, recreation, registered dietitian, and social workers
- The ability to serve more ventilator and trach patients than anyone else

Specialized care

- Caring for trach and ventilator patients only
- Individualized care plans that support:
 - Highest quality of life for all patients
 - Weaning and transitioning home when appropriate
 - Specialized support for chronic patients
- Interdisciplinary team approach
- Licensed nursing and respiratory staff around the clock
- Activities and outings
- Individualized nutritional support
- Capability for IV antibiotics and PICC insertion on site
- Specialized wound care
- Wide range of physician and specialty services

“At Fox Subacute, it’s more than
a patient-nurse relationship:
YOU BECOME A GREAT BIG FAMILY.
